Trust members' details kept on file will be used solely for the purposes of distributing information concerning the administration and operation of the Trust, and will not be disclosed to any third party unless required by law to do so.

Guidance notes for Membership Application.

- If family membership is required, then the form needs to be filled in by the first named adult, and also spouse/partner living at the same address if applicable.
- Family membership includes a maximum of two adults having attained the age of 18 years, and all their dependent children (if any), living at the same address that have not yet attained the age of 14 years.
- Children, who have attained the age of **14** years but not attained **18** years, may join in their own right as Junior members if they so wish. They cannot be part of a family membership. This also applies in the case of Life Family membership. Parent/Guardian consent will be required in these cases. The Parent/Guardian need not be a member of the Trust **unless** the child wishes to participate in Railway activities.
- All single persons, of **18** years and above, shall be required to join as Ordinary or Life members.
- The annual renewal date for membership will be the first day of that month during which the Membership Secretary first received the written application and full fees.
